To whom it may concern:

Purpose of this petition is to pursue my issues that I am trying to resolve with the IRS Gov since 2013. I tried in good faith to handle this problem with them. I have asked for several appeal by letters and over the phone. I also was assigned a Taxpayer Advocate in the matter. I stated to her, I would like to have an appeal. I sent her copies of letters showing that I requested one. My tax papers got lost from one office to another by IRS.

Back in April 2013 I mailed all the taxes in together from **2005-2013**. I received some of the tax money from past years which was over three years old. 2006, 2007, 2008, 2009, 2011, 2012, 2013.

It is a shame that I am fighting for money I worked for in 2005, which is over 4000.00. And they took more than half that year. Also in 2010 it showed I was due a refund in the amount of \$ 2,267.12. Now all of a sudden I received a letter in April 2016 stating I owe them which is over three years; in the amount of \$ 212.79. This is ironic. I am not in agreeable and feel that I am being over charged, as well as taking advantage of.

On the other hand this seem to be a problem with me because the IRS Gov is contradicting their self and the law. They also want to dictate the years they want to allow one. When other years was paid to me which were three years or more old. No favor was done for me, it just caused a big problem. I am hoping my points are being made. I have provided documents to sustain my case.

The resolution I am looking for in the case is that all of my refund that I am entitled in year 2005 also 2010 be granted to me. Paper I have shown \$ 6,396.12. That not including late fees and penalties and interest like the IRS Gov charged me for filing late. Also a list of all the taxes years. I was allow a refund in the years 2006, 2007, 2008, 2009, 2011, 2012, and 2013. I just want them to be fair in this matter, because they were wrong not to allow me 2005 and 2010 taxes.

Thank you
